MADE IN

AMERICA

- Manufactured from the highest quality 5056 aluminum
- Superior strength with no rusting or staining
- Approximately 3 times as many pieces per pound than steel
- These are definitely the best choice for installing aluminum, vinyl or steel siding
- Available in mill finish or premium baked enamel paints to match the colors offered by the best siding and trim manufactures
- Manufactured with diamond points for easy driving
- Offered in 1lb. and 1/4lb. boxes
